

TECHNICAL DATA

PPW8080 000 535 140

Date of issue: 08 Feb 2012

Customer: Maccaferri Pty Ltd, New Zealand

Product: **TenCate Mirafi® PPW80/80**

Manufacturer: TenCate Geosynthetics Asia Sdn. Bhd.

Character of the geotextile: Woven polypropylene geotextile

Mechanical characteristics: Tolerance range = -10% of average (min value)
Confidence level = 95%

Hydraulic characteristics: Tolerance range = -30% of average (min value)
Confidence level = 95%

Characteristic short term tensile strength (md/cd)	(kN/m)	80/80	ISO 10319
Strain at short term tensile strength (md/cd)	(kN/m)	20/15	ISO 10319
CBR puncture	(kN)	7.0	ISO 12236
Opening size	(mm)	0.300	ISO 12956
Water permeability at 50mm head	(l/m ² /s)	5	ISO 11058

The above are average values.
